

# THE CUSTOMER EXPERIENCE REVOLUTION:

*How Companies Like Apple, Amazon, and Starbucks Have Changed Business Forever*  
 BY JOEFREY BEAN AND SEAN VAN TYNE

6 x 9" paperback, 160 pp.

**The Customer Experience Revolution** is here — a shift in dynamic that has changed the customer-business relationship forever. Beyond branding, beyond customer service, beyond product usability — it is the complete **customer experience** that determines business success today.

*The Customer Experience Revolution* looks at some of the leading CX companies: Apple, Amazon, Starbucks, and Intuit, along with many others of all sizes. The book shows how these companies have profited from a clear focus on creating and delivering exceptional customer experience.

Research from independent firms makes it clear that customer experience is the “new currency of business.” The book explains the principles of creating great customer experience and shows how any company can — and should — be part of **The Customer Experience Revolution**.

“It’s a must-read for leaders who want to drive great customer experiences within their own organizations.”  
 — Steve Albee, SVP, Union Bank

“*The Customer Experience Revolution* is a book that everyone who wants to succeed in business must read.”  
 — Todd Robinson, Founder and Former Chairman, LPL Financial
